Dear 

STAT

I would like to extend my appreciation to  for  
her personal involvement in resolving the logistical problems at  
Hanscomb Field concerning Agency personnel on 19 April 1983. Her  
resourcefulness in locating Mr. Fitzwater and  at the  
airport and her cordiality while accompanying them to Lowell helped  
alleviate the tensions that often arise from these unexpected  
delays. I am impressed by her professional dedication and I would  
like to thank her for having intervened to resolve this matter.
